Panel Sessions

A panel of speakers will focus on one of the steps related to the session's theme. Q&A will be included within the session.

Workshops

One or two OA members will present an interactive "how to" process on a specific step or tool related to the session's theme. Workshops are intended to be more interactive than Panel Sessions and may include 'breakout rooms.'

Special Focus OA Meetings

Special focus meetings are intended to help members within our community connect with others who share similar experiences. These meetings will run concurrently with other sessions and start on the hour.

All times are as Pacific Daylight Time.

Many sessions run concurrently. Please check the schedule.
